

### **Student Organization Services**

hosts events for student organizations, such as *Market Wednesdays*, *Open Dances*, and leadership programs. The SAC is responsible for the recognition and advisement of student organizations at FSU. The *Student Organization, Advisory, & Review (SOAR)* Board also comes out of this department.

**Homecoming Week** at Florida State University is full of rich tradition and fun for everyone! It's a week for students, faculty, and staff to celebrate and participate in a wide range of activities. Some of the traditional events include the *Warchant* concert, *Spear-It Night*, the *Big Fan on Campus Competition*, and the ever-so popular signature event, *PowWow*.

**Special Event Planning** Recognized student organizations and campus departments can turn to the SAC staff when planning an on-campus event. From brainstorming ideas to approval of *Special Events Permits*, the SAC staff can help you throughout the entire process of event planning.

**Market Wednesday** is a medley of activities that occurs every Wednesday of the semester in the Oglesby Union courtyard. A combination of recognized student organizations, market vendors, DJ's and weekly performances with passersby makes the Union "the place" to be on Wednesdays.
